Project History

2015

- City issues Request for Proposals
- 4 proposals
 - Housing Resources Bainbridge (HRB)
 - Housing Kitsap
 - Bainbridge Island Parks and Recreation District
 - OPG
- City moves forward with OPG

2016

- City hires Environmental Science Associates (ESA) to conduct an ecological assessment on the Suzuki property.

2017

- ESA's report:
 - "Mature second growth forest"
 - Buffering the human-created pond
 - Creation of a 300' wildlife corridor
- Council requested OPG alter its plan based on ESA's recommendations:
 - Reduced the potential development area from 13.78-acres to +/-4-acres
 - Eliminated the new Boys and Girls Club and other proposed amenities
- Council voted to make 100% of the housing affordable

2018

- OPG presented a revised site plan which was approved in concept by the City
- OPG contracted to be lead consultant through the preliminary project

Issues Raised During RFP Process

Conservation Related Ideas and Issues

- Keep property as-is. Transfer ownership to the Bainbridge Island Parks and Recreation District to own and manage in a natural state
- Older tree stands should be protected
- Protection of a human-made pond and the habitat value it provides
- Assessment of impacts to groundwater and aquifer recharge areas
- Protection of the property's potential to serve as a wildlife corridor
- Protect critical habitats
- Evaluation of the property's aquifer recharge potential

Issues Raised During RFP Process

Development Related Ideas and Issues

- Provide a place to expand the Boys and Girls Club
- Provide affordable housing
- The City's fiduciary responsibility to judge any proposed use against the fair market value of the property
- Overall land conservation (higher density urban development versus more rural densities)
- Create a neighborhood with a high quality of life
- Traffic impacts
- Sewer line and plant capacity
- Low water pressure has been observed in surrounding neighborhoods
- General development impacts to the surrounding

Council Direction

- use old site plan as a target once consultant studies complete
